THE SOUNDGAS LIST

August 2020

We don't have prices for all the incoming items: in many cases it's impossible to determine price before assessment, servicing and testing has taken place. Preorders are possible on some of our regular pieces (eg Binson Echorecs, Space Echoes, Junos etc).

As-is: we need to clear our service backlog so are open to offers on unserviced items.

We hope that you like the new list and welcome feedback: this is very much a work in progress.

"Your list is one of the best, it really is. I just want everything on it." - Pete Townshend

"I'm on the list, thanks. It's like crack..." - Michael Price

All items are serviced and in full working order (and covered by our guarantee) unless stated otherwise.

New arrivals highlighted in yellow

Prices (where quoted) are in £GBP and exclude delivery. Debit/Credit Card and Paypal payments may incur a surcharge on high value items.

*VAT (Sales Tax): Customers in USA/Canada/Australia pay the tax-free price shown in the first column where applicable. All prices in the first column show standard VAT-exclusive prices; if the second column has the same price, then there's no reclaimable VAT on the item.
