

# THE SOUNDGAS LIST

## January 2022

We don't have prices for all the incoming items: in many cases it's impossible to determine price before assessment, servicing and testing has taken place.

As-is: we need to clear our service backlog so are open to offers on unserviced items.

We hope that you like the new list and welcome feedback: this is very much a work in progress.

"Your list is one of the best, it really is. I just want everything on it." - Pete Townshend

"I'm on the list, thanks. It's like crack ..." - Michael Price

**All items are serviced and in full working order (and covered by our guarantee) unless stated otherwise.**

*New arrivals highlighted in yellow*

Prices (where quoted) are in £GBP and exclude delivery. Debit/Credit Card and Paypal payments may incur a surcharge on high value items.

\*VAT (Sales Tax): Customers outside of the UK pay the tax-free price shown in the first column where applicable. All prices in the first column show standard VAT-exclusive prices; if the second column has the same price, then there's no reclaimable VAT on the item.
